## Animated Advertising Banners

In keeping with international trends, our banner sizes match those utilised by major international portals, and are enhanced to maximise exposure across all devices, including smartphones and tablets. Large banners make it easier for advertisers to get their message across, which will yield better results. These are the animated banner options we offer:

### Billboard Banners

Media Size: 970x250 pixels

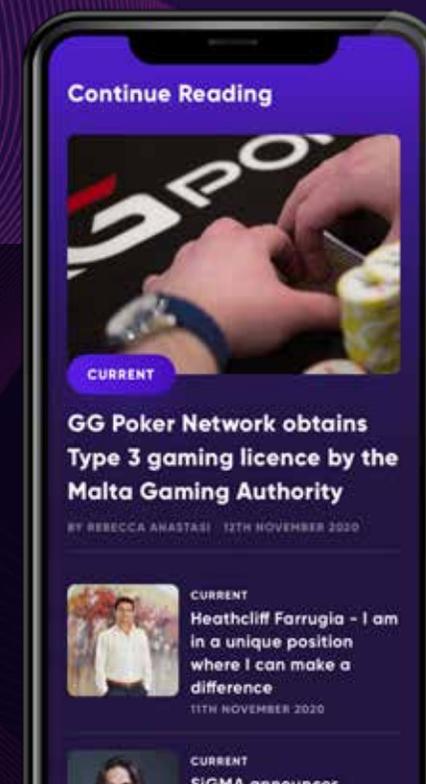

1 month €700

### Half-page Banners

Media Size: 300x600 pixels

1 month €700

The above rates are based on 10% occupancy.  
File format: JPG, PNG, GIF or animated GIF.  
Max. Size 150KB (Billboard & Half-Page), 50KB (Rectangular).

Being a responsive site, advertisers will get full exposure on desktop, as well as on mobile and tablet devices. Our team will ensure that your banner projects a high standard across the board by replacing half-page banners and billboard banners with rectangular banners (300x250 pixels) on mobile and tablet. In this case, the two banner sizes (half-page and rectangular OR billboard and rectangular) will need to be sent prior to the commencement of the campaign. Moreover, your banner ads will be highly visible in the specific business searches, in the articles, as well as on the homepage, of course depending on the percentage of penetration acquired.

## Sponsored Content

**€1,500 (includes Journalist & Photographer Fees)**

Sponsored Business Content is considered one of the most effective means of modern digital marketing. Through it, advertisers can reach an audience in a seamless way and without disrupting the flow of content reaching the end user. Sponsored Content is essentially online content created for paid promotion, which does not use a traditional ad format such as a banner ad, but includes editorial content such as an interview with a business professional, a case study or a product/event review.

## The Process

The interview is handled by one of our business writers and then passed on to the client for approval. Such interviews can be carried out on Zoom or Teams. Once uploaded it is then in the hands of our digital marketing experts to make sure that the post stands out from the rest! Our team will ensure that the article is viewed by as many people as possible, including via the running of a digital marketing campaign on Facebook. Additional exposure will also be given through our LinkedIn page. The fee is all inclusive, and covers all the different elements of the job from digital marketing to the assigned journalist, as well as photography.

## The Process

Once you send the text, our business writers will proofread your text and will apply any necessary tweaks to bring the feature in line with the portal styleguide.
